Hi Joe,

Thanks for this. Getting lots of questions today as to whether protesters will follow the traffic and return to Bluewater for another blockage there. Please let me know if you become aware of this. These are certainly interesting days. ~Christine

Thanks for the update. Saw some postings on social media to that effect. Do you have an advisory list or other means issuing alerts that I could subscribe to?

Hi Christine,

Yesterday our US bound traffic was shut down due to the protests on Hwy 402 and OPP closing the highway from approximately 10 am until 8 pm last night.
This was a protest but the majority of the vehicles in the blockade were farm related tractors and machinery.
In the local communities there were protests involving cars and pick up trucks.
Very few transport trucks.
All clear today.
Thanks,

Hi Joe,

Hope you and yours are doing well. Just wanted to check in with you as to whether you are seeing any traffic disruption/slowdowns related to truck convoy/anti-vaccine mandate protests over the past weekend or currently?

Best regards, Christine
